

Mockup Help

Add Your Own Design

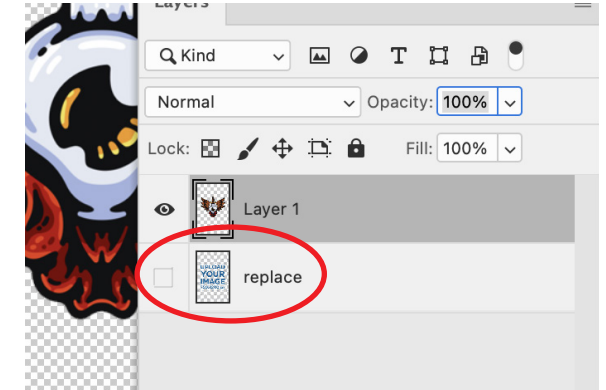

1. Double-click the **Smart Object** in the Layers panel
2. A new window will open. Drag or paste your design into this window.

3. Use the existing artwork as a guide to position your design.

4. Hide or delete the existing artwork layer.
5. Close and Save the window

Change Color

1. In the **Shirt Color** Layer Group, Double-click **Color Overlay**.
2. Click the color swatch in the **Layer Style** panel, which will open the **Color Picker**. Choose your color.
