About Us

The European languages are members of the same family. Their separate existence is a myth. For science, music, sport, etc, Europe uses the same vocabulary.

The languages only differ in their grammar, their pronunciation and their most common words.

Everyone realizes why a new common language would be desirable: one could refuse to pay expensive translators.

Why Choose Us?

The European languages are members of the same family. Their separate existence is a myth. For science, music, sport, etc, Europe uses the same vocabulary.

The languages only differ in their grammar, their pronunciation and their most common words.

Everyone realizes why a new common language would be desirable: one could refuse to pay expensive translators.
